## WINCHESTER HOME & GARDEN CLUB NEWS

**We had a great season kickoff meeting with many new members!**

**L to R: Lucky raffle winner Kristen Schrule, Heather Mango, Mai Harrison and Elana Rudiger, all new members.**

## Sharing our Garden

**Erica Drazen** shared a tip from her garden:

"Every year I plant one annual in my perennial beds to ensure color. This year I tried the newish cleome señorita . They are sterile and don't have spikes or sticky stuff on the stems. Señorita Blanca and MiAmor were OK but señorita Rosalita was spectacular and it is still going strong!"

**September 25, 2016**

**REMINDER: Please pay your dues in order to receive your 2016/17 Garden Club yearbook.** On that note, if anyone is interested in taking over the yearbook position from Karen Beals, **who has done a fantastic job for the past SEVEN years**, please contact Karen. It's a great opportunity to get more involved in the club and only requires familiarity with Pages. Karen will show you everything you need to know. Karen is very organized and a joy to work with so it will be an easy transition! Please contact Karen directly if you are interested: [icufa8@gmail.com](mailto:icufa8@gmail.com)

Garden Club Federation of Massachusetts *Horticulture Mornings*

*Succulent Love*

*Presented by Katherine Tracey, co-owner of Avant Gardens in Dartmouth, Mass., a nationally known nursery and home to exceptional succulents, will share her favorite ways to use both hardy and tender succulents in our homes and gardens. It's been a hot, dry summer and now it's indoor gardening season. Join us to learn all about succulents, those fascinating architectural beauties that thrive indoors and out!*
