Enjoy the summer, your gardens and families!

See you in September!!

We're back in business! The DPW leveled the area around the fountain and laid new bricks. Looks great. THANK YOU, DPW!!

A morning of watercolor painting and an afternoon of floral arranging - what could be better? The same day on beautiful Martha's Vineyard, of course! Unfortunately i purchased a coveted ticket to this event from renowned Little Flower School Brooklyn and am unable to attend. So i am selling it for 50% off. Please check out the full info on their website at <http://littleflowerschoolbrooklyn.com/marthas-vineyard-floral-painting-arrangement-class/>
