Please tell us your current Gardening/Home interests:

What might you be interested in learning about:

We are proud to be a long established and active organization in Winchester. We look forward to welcoming you and we request your participation to help us further our objectives. We ask all members to join at least one committee. Many committees do not even meet- they just do things to help the Club throughout the year. Please check off ALL that apply to your interests. We will contact you about committee openings and other opportunities to help our club (many are very fun!).
