WINCHESTER HOME & GARDEN CLUB NEWS

Attention members with last names **Agnew - Conway**

The September meeting is your month for hospitality. A sign up genius went out last week. If you haven't done so already, please sign up by today so we can plan the food for the meeting. As of today we have lots of desserts and only one person bringing a salad! If you have any questions, please contact Erica Drazen at: erica@drazenhome.com

THANK YOU!

Newsletter Items

If you have an item for the newsletter, please email Maureen at maureenconway@yahoo.com

Are you in need of any pots?

- Lots of terra cotta pots, all different sizes, over 50 in fact, that would like a new home. The wonderful people at Crickets Florist in Arlington donated these pots to our club. Email me: gmorlock415@gmail.com, if you have any interest. Thanks, Gail

FROM THE Garden Club Federation:**LAST CHANCE To register your HEIRLOOM PLANTS**

If any member of your club has purchased an Heirloom Plant this summer or in September, **please register the plant with your club (Contact Maureen Conway).**

Due to the drought and water bans this summer, the fall will be an excellent time to plant. **The deadline to register is October 1, 2016**

Remember it is the total number of Heirloom Plants that your club plants that will be counted to win the contest. There are 3 gift certificates to Weston Nurseries, one for a small, medium and large club.

Sometime in the fall a form will be sent to all who have registered in which they will list who planted what Heirloom Plant, location and number of Heirloom plants planted by a member and of course the total number of Heirloom Plants planted by club members.

Remember every Heirloom Plant that is planted, is a plant saved for posterity!

Thank you,
Leslie Frost, chm. Historic Preservation
