## October Meeting

The WH&GC welcomed Edward M. Stanley and his appraisal services gave members a glimpse into their valuable possessions. Apparently Edward wasn't surprised to be appraising all of the "things your mother in-law gave you"!

*Members, please remember that guests are always welcome to attend WH&GC meetings, please invite a friend to join you. A \$10.00 guest donation is greatly appreciated.*

## *October Civic Beautification*

Thanks to all of the members who arrived bright and early on the Common to plant 1,000 daffodil bulbs.

It was the perfect morning to dig together in the bright sunshine. As we looked around, quiet anticipation of the lovely display to come filled our minds and warmed our hearts.

Please visit the Common in the Spring for a delightful burst of color!

## *An Evening with New Members*

Thanks to Kristen Ward for hosting our new member gathering. Together with Membership Chair Liz Darby, the evening was filled with delicious food and contagious laughter!

Everyone left with a special take away bag , a few new friends and a lot of wonderful memories.

A Warm Welcome to All...

## *Community Service - Library October*

Thanks Rose, the late October floral arrangements are enjoyed by all who visit the library. The vibrant yellow set against the orange and rust of the season certainly compliments the modern vessel.

Combining succulents with cacti in the children's room in a jack-o-lantern brings a touch of whimsy to young minds.

## *Hospitality Buffet*

Be sure to look for the Hospitality Buffet Assignments at the top of this newsletter or in your Membership Booklet. Our wonderful buffet only happens if everyone contributes.

If you just can't bring a dish on your month, please consider donating \$25.00 to Hospitality, PayPal or email Carrie for more details.

## *Wild Birds Unlimited - follow up*

Members may recall last season when Wild Birds Unlimited attended a general meeting and presented various bird houses and how they attract different species of birds to your backyard garden.

Garden Club member Christy Walsh enhanced her garden using some of those ideas.

Please note: We will not be sending individual email blasts announcing the Garden Club Federation of MA due to their extensive offerings. The WH&GC invites you to Click on the GCFM logo for more information on the upcoming events.
