## *November Meeting—Winston's Flowers*

The WH&GC welcomed Winston Flowers at our November meeting. The designers were full of insider tips: they use chicken wire to support the arrangement in water, the designers group flowers together by type and/or color, the flowers are delivered fresh each day from nurseries all over the world.

*Members, please remember that guests are always welcome to attend WH&GC meetings, please invite a friend to join you. A \$10.00 guest donation is greatly appreciated.*

## *Festival of Wreaths*

Thank you for visiting the Festival of Wreaths, the WH&GC annual fundraiser to benefit our town beautification initiative. Many brought family and friends to celebrate the season.

We are thankful to all of the designers who donated a custom wreath for the Festival and helped make this year another successful event.

The WH&GC would like to thank Carole Kitchen and Bath Design for their continued support and generous sponsorship of this community event.

Jessica Lohnes' gracious hospitality at her historical home was an amazing backdrop for the Festival and very much appreciated.

The Winchester Home and Garden Club proudly donates arrangements for the enjoyment of all who enter.

When designing for public areas, careful attention is given to the surroundings including the scale of the space, architecture of the building, purpose of the location and longevity of the material must all be considered in the design.
