

Around Town

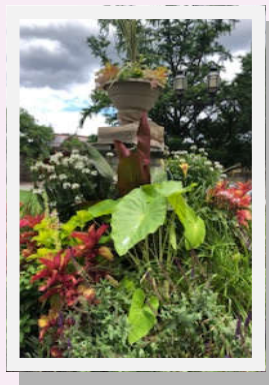

WOW! How lovely a picture to see the lampposts throughout town adorned with these magnificent flowering baskets. Through community and business donations, the Chamber of Commerce always impresses us with this summer delight. Gratitude and appreciation to everyone who makes this such a welcoming center, your effort is enjoyed by all.

Civic Beautification - Town Common

The Common has once again been the back drop to countless summer activities. The centerpiece urn and circular planting along with the surrounding pots have greeted visitors and residents with Kristen Ward's unique design that always captures the wonder of season.

Thanks to the volunteers for their efforts.

Site Gardens

A shout out to all of the volunteers that kept the site gardens flourishing this hot and humid summer. Team members watered, weeded, waited and can now take pride in the burst of color that graces our beautiful town. If you'd like to join in and help or if you have thoughts for additional sites and would like to organize a team please email Susan: susan.mitchell1@comcast.net.
