## *Dear Garden Club Members:*

We have truly missed you. Can't believe that it has been over a year that we have not seen all of you!! Thank heavens for Zoom which gave us the ability to connect virtually. However, with God's will, we will be meeting once again this year.

To those of you who have taken a year off because Zoom was not your thing, we hope you will rejoin us as we plan to meet monthly, in person, probably with masks on, but we will MEET! We have secured the use of Manion Hall at St. Eulalia's for our meetings.

Our first meeting will be Wednesday, September 15<sup>th</sup> at the home of Rose Beecher in her beautiful garden. This meeting will be mostly SOCIAL so we can cautiously mix and mingle and enjoy one another's company once again. To be safe, we will be serving a "bag lunch" which will be supported by our Board and Club. Misty Florez will have her dahlias on display, and we invite any one of you to bring your dahlias or prize flowering plant for display as well. An invitation to Rose's house will be sent out shortly and please note there will be a rain date.

Mary Grassi and committee are busy planning programs for the year. All are not yet set in stone, so if you have any suggestions, please feel free to send them Mary's way ([marygrassi@verizon.net](mailto:marygrassi@verizon.net)). For all you new members, Maureen Conway will be contacting you soon to secure a photo for our 2021-2022 yearbook. If you would like to just send one along, she can be reached at [maureenconway@yahoo.com](mailto:maureenconway@yahoo.com).

Dues for the up-coming year are \$50 and can be paid online by going to our website <https://whgclub.org/membership-renew/> or can be mailed to Liz Darby at 26 Eaton St. front.

Please mark our calendars for September 18<sup>th</sup> – Winchester Town Day – WHGC will have a pop-up booth sale. Details can be found on the following page.

# Winchester Home and Garden Club POP UP SHOP at Town Day Saturday, September 18th

Since we could not have our annual Spring Plant Sale this year, we thought we would have a **Pop Up Shop** during Town Day! We've secured a booth and will pull together some special items for sale. This will be a smaller event than our Spring Plant Sale, but it will be a fun way to sell some unique items and also make many more people aware of our Club.

*You can help make this a fun event by contributing:*

### **Fall Plant Containers** *(outdoor or indoor)*

Use grasses, gourds, mums—anything that says Fall! Our plant containers are always a big hit, so please sign up—you can always collaborate with a friend on one too!

**Apple Pies** If you enjoy making pies—we will sell them!

**Garden Items** *(small sculptures, birdbaths or feeders, garden stakes, outdoor pots, etc.)* Anything that is beautiful or useful in the garden!

**Perennials** We will not have as many as our normal Plant Sale, but we hope to have a nice assortment.

Here is a **Sign Up Genius** with slots for all of the things mentioned above:

**Logistics.** You may either bring your items to the Winchester Home & Garden Club tent at 7am on Saturday Sept 18 the day of sale (*this would be best*) or drop items off at Christine's house beforehand (*please call me at 781-721-7230 or email at [me@christineschmitt.com](mailto:me@christineschmitt.com) to arrange*).

Please contact Christine and Mai with any questions, and thank you so much for supporting the Club with this fun event!

*Hello Fellow WHGC Members!*

If you are around any of the dates below, please consider helping with the fountain clean up! We have six slots left for the Fall – if you are not familiar with the Sign-UP Genius no worries, just email me what week works best for you and I will sign you up: [mai\\_harrisono2@hotmail.com](mailto:mai_harrisono2@hotmail.com)

*Thank you for your consideration! - Mai*
