5/1 - Spring Luncheon

at Winchester Country Club

Dear Garden Club Members:

This is just a mini newsletter to touch base on a few upcoming things... We had an amazing, successful **Festival of Wreaths**. We truly appreciate our members who entered a design, and our members who brought family, friends, neighbors to the event. But most of all, thank you **Jessica and Paul Lohnes** for opening up your home so graciously and allowing us to have the Festival in your home.

Dana Diamond and Sue O'Connell are busy working on the final details of the **WHGC Holiday Luncheon**. All members should have received a Paperless Post invite. If you are aware of anyone who does not email and is not aware of the luncheon and the details, please email me so I may reach out to them.

Winchester Country Club needs a final count **this Friday** so please if you are planning to attend we need your RSVP. A check made out to **Winchester Home and Garden Club** can be mailed to **Dana Diamond** at **33 Wedgemere Ave.** or online you can pay by paypal.

Dana and Sue are still accepting raffle items. Even if you do not know yet what you are donating, please let them know you are planning on donating so that they can plan the proper setup at the WCC. I love seeing what is on the raffle table and how creative so many of you are with your donations.

Last week, the Presidents from the Belmont Garden Club attended our Festival. They truly enjoyed the event even though they were not lucky enough to win! They did share their flyer for their annual Green Sale which will take place this coming weekend. We were asked to pass the information on to our membership in case anyone would like to attend. The flyer is on the next page.

Best, Cathy and Dot
